LA PETITE

QUAGLIO SIMONELLI

Both Italian and having met at University, Andrea Quaglio and Manuela Simonelli worked together for Philippe Starck before creating their own firm. Their first design for Artemide, La Petite reflects the subtle harmonic dissonance of their aesthetic.

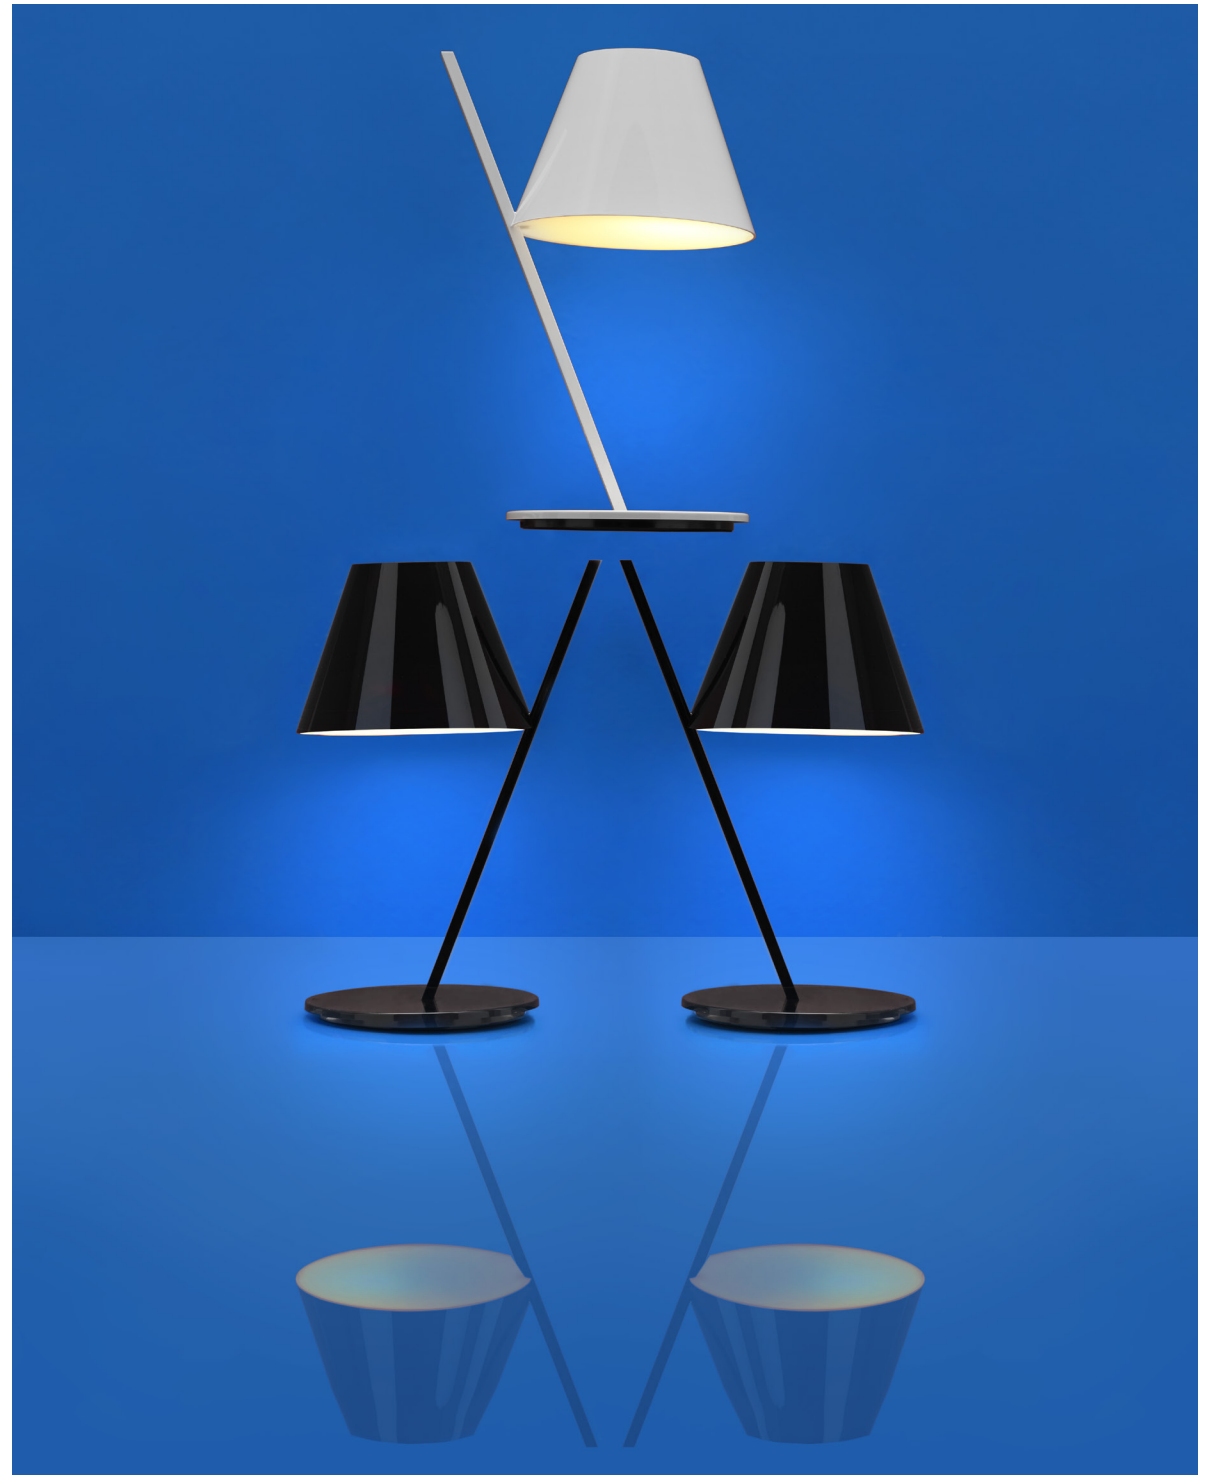

UNIQUE

La Petite walks on a wire, balancing between full and empty. There is no symmetry in its design, but there is order. A subtle harmony of elements disassembled, in equilibrium at the boundary between light and dark.

ELEGANCE

Defined by its modern look and feel, La Petite lights up space with elegant simplicity.

SIMPLICITY

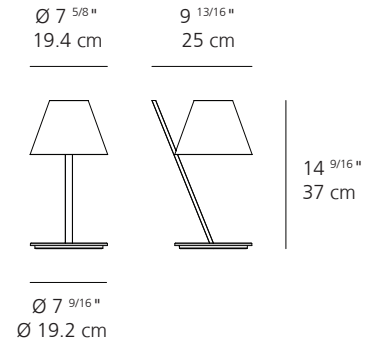

La Petite is made of simple elements, exquisitely combined together into an amazing geometric composition.
