LEDBAR

BY
NA DESIGN
Available in a round or square version, Ledbar is a simple and sleek design that brings high-performance LED lighting to any space.
Available in ADA compliant wall/ceiling version or suspended version, the core of Ledbar’s versatility lies in its adaptability to any interior, as it is well suited for bathroom mirror application, corridors, or any residential or commercial spaces.
Available in three sizes, in round or square design, Ledbar is ideal for residential as well as commercial applications, offering the possibility to keep consistency throughout a space while allowing for various configurations.
