MICHELE DE LUCCHI

Born in Italy in 1961, Michele De Lucchi designed the Tolomeo in 1987. The lamp now available in sizes from mini to mega is arguably Artemide's most iconic fixture.

Having a background in architecture and industrial design, De Lucchi also favors a craftsman-like approach and since 1990 through the line "Produzione Privata," he has created a series of artisan-produced items such as small sculptures carved with a power saw.

GIANCARLO FASSINA

Born in Milan in 1935, Italian architect Giancarlo Fassina was a leading figure in Italian avant-garde design beginning in the 1970's. Through his work with the Radical "anti-design" movement he explored scale distortion, color and promoted the social relevance and humor of objects. The Tolomeo, his iconic lamp series for Artemide, was created in collaboration with Michele De Lucchi.

ICON

The main mission for a designer is to create a system of light that finds a shape. Designed by Michele De Lucchi and Giancarlo Fassina, Tolomeo's timeless features have earned resounding fame that have turned the luminaire into an indisputable icon in modern lighting. Tolomeo is about to turn 30 years bold, with no wrinkle in its design.

IDENTITY

"Light is the most intangible material there is. It's the element that best represents the sense of infinity, the sense of an endless future"

- Michele De Lucchi

Everything about Tolomeo's composure identifies strongly with Artemide's Human Light philosophy that places men and the pursuit of their well being at the core of research and development. Tolomeo is the perfect marriage between design and engineering.

LIFESTYLE (XXL)

"Lamps are paradoxically the design object that best witnesses the changes of lifestyle."

- Michele De Lucchi

Since inception, Tolomeo's award-winning design, engineering, and performance features have been further refined in a complete and broad series of models for table, floor, wall, and suspension application that can support any activities, populating a wide array of living spaces, including outdoor spaces, to complete the Tolomeo lifestyle. Tolomeo XXL's towering size gives the fixture a majestically powerful presence, becoming a statement piece when its grand iconic features are made part of any outdoor environment.
